# **SOLAR POWER 101:**

## **A Community Education Series on Solar Energy**

*Two Cochise County Presentations:*

### **Sierra Vista**

**Friday, August 15, 2008**

**2:00 to 4:00 pm**

**Cochise College Library - Commons Area  
901 Colombo Avenue**

#### **Featuring:**

**Solar Powered Schools** A representative of Sulphur Springs Valley Electric Cooperative will present information about an innovative program to add solar power to every school in Cochise County, along with all you need to know about SSVEC's SunWatts solar energy program.

**Solar Powered Economic Development** *Fern Lawson* of Elfrida Citizens Alliance will present information about economic development programs in Cochise County with a solar energy component.

**Solar Power for the Home: Getting Started** *Tamarack Little*, a member of Congresswoman Giffords' staff, will present information on the basics of financing and installing residential solar energy systems including photovoltaics and solar hot water.

### **Bisbee**

**Friday, August 15, 2008**

**9:00 to 11:00 am**

**Cochise County Supervisors Boardroom  
1415 Melody Lane**

#### **Featuring:**

**Bisbee's Solar Future** *Britt Hanson* will present information about work underway to bring solar power to Bisbee using affordable third-party financing.

**Community Solar Cooperative** *Steve Mann* will present information about the possibility of creating a community owned and operated solar energy cooperative in Cochise County.

**Solar Power for the Home: Getting Started** *Tamarack Little*, a member of Congresswoman Giffords' staff, will present information on the basics of financing and installing residential solar energy systems including photovoltaics and solar hot water.

**THESE EVENTS ARE FREE AND OPEN TO THE GENERAL PUBLIC.**
